You should spend about 20 minutes on this task.

The three pie charts below show the changes in annual spending by a particular UK school in 1981, 1991 and 2001.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

Write at least 150 words.

One of the most striking features is that almost half amount of spending was shared by teacher's salaries through the periods. In 1981, teacher's salaries was 40%. It rose up to 50% in 1991 and ~~felt~~ fell to 45% in 2001.

Another ~~noticing~~ noticeable fact is that furniture and equipment, and resources fluctuated, while other worker's salaries continuously decreased. The proportion of furniture and equipment, and resources were 15% respectively in 1981. Furniture and

The three pie charts illustrate the annual total school spending categorized in five patterns in UK in the three period of 1981, 1991, and 2001. The largest amount of spending throughout the three periods was teacher's salaries, which ranged between 40% and 50%. Although the proportion of furniture and equipment, resources were changed by during the periods, that of other worker's salaries decreased gradually.

Comment [z1]: This doesn't belong here; it belongs in the body of the essay of the report; it is not part of overall summary

Comment [z2]: you said this already in the introduction

Comment [z3]: percentage needed

Formatted: Highlight

equipment decreased to 5% in 1991 and jumped up to 23% in 2001. Resources slightly increased to 20% in 1991 and plunged to 9% in 2001. Compared with the two types of spending, other worker's salaries gradually decreased from 28% to 15% through the periods. Insurance ~~reminded~~ remained ~~minor~~ the lowest expenditure at below 8% through the periods.

Grade Criteria	Estimated Grade	
Task response	7	Good overall summary all important data is included and highlighted well
Cohesion and coherence	6-7	The last sentence of the introduction should be in the body Try not to repeat what you said in your overall summary again in the body if possible [you don't need to repeat it in this report]
Vocabulary	7	Errors with word forms/endings spending throughout the three periods was Another noticing noticeable fact
Grammar	8	Errors are rare Insurance reminded remained minor the lowest expenditure at below 8% through the periods.
overall	7	The worst thing about this report was the last sentence of the introduction
